It is recommended that electronic, expensive, or unnecessary items not be brought to camp. All personal items should be clearly marked in legible pen.

LOST AND FOUND: Items are kept behind the Front Desk in the Campus Center or behind the desk in your respective dorm.

HYDRATION - Part of playing at one's best means staying hydrated. When an athlete fails to replace the fluids and electrolytes lost through sweat, they can become dehydrated. Gatorade re-hydrates better than water by putting the essential electrolytes back into an athlete's body and delivers carbohydrates that energize muscles and the brain. Participants should be instructed about the importance of adequate fluid consumption. Participants may be training outdoors in a hot and humid climate where dehydration can occur quickly. Gatorade is one of IMG Academy's Premier sponsors, and we have integrated the Gatorade Product Portfolio into our athletes' workout sessions. We want to take each participant's game to the next level, and Gatorade is committed to helping participants get there. Gatorade will be providing products strategically placed around campus to fuel Athletes on their athletic journey.

PARTICIPANTS WILL FIND:

Gatorade Thirst Quencher: Proven hydration to replace what is lost through sweat. Available in coolers at your sport AND at both Gatorade Fuel Bars.

Gatorade Recover: Protein to help rebuild muscle. Available in a Gatorade Recover Shake or Recover Bar for the end of the day either in the Gatorade Fuel Bars or at sport.

CAMP STRUCTURE AND CONDUCT

CAMPUS LIFE

Outside of our coaching staff, our Campus Life team will have the most interaction with campers. They are an integral part of the IMG Academy camp experience.

Our Campus Life team will aid in supervising your campers outside of training. Made up of residential mentors, similar to college RA's, the staff will be housed in the residence halls on various floors and wings. You can also find them in the residence hall lobbies and at the activities park.

STRUCTURED INDEPENDENCE

Structured independence is a pillar of the IMG Academy camp experience. Campers will learn time management, how to navigate schedules, and how to get around campus on their own; just like our full-time student-athletes. Campus Life knows this is a huge step for many campers who are joining us, so they will still be available to assist any campers that need assistance. Campers should always find a dorm mentor if they have any questions or need directions of any kind.

Campus Life will be your main point of contact for any issues while your campers is with us. See [pg.2](#) of this guide for the Campus Life Contact information to utilize while your camper is here.

WITH OUR STRUCTURED INDEPENDENCE MODEL, YOUR CAMPER CAN EXPECT:

- Implemented curfew and curfew checks
- Orientation to go over certain aspects of camp the first evening of camp
- Assistance in resolving any problems or issues
- Assistance from our staff to provide comfort and support if camper feels homesick
- Chaperones during activities, local trips and excursions
- Aid in moving in and out of the dorms

YOUR CAMPER WILL BE RESPONSIBLE FOR:

- Navigating their way around campus (VIA is only exception)
- Waking up on time and making it on time to all training sessions
- Required participation in training & activities
- Limiting cell phone use during training
- Picking up any delivered mail/packages from the mail room
- Keeping their dorm room clean & organized

CONDUCT

Parents and campers should review the “[IMG ACADEMY RULES FOR ALL PARTICIPANTS](#)” section that is located in your camper’s SchoolDoc profile under the [AUTHORIZATIONS](#) tab before attending camp.

If any of these rules are broken, our Campus Life Leadership will handle the investigation into any misbehaviors as well as any disciplinary action that follows.

IMG Academy reserves the right, without refund of any amount paid, to refuse admission to, or eject, any person whose conduct our personnel deems disorderly, who uses vulgar or abusive language, or who fails to comply with IMGA Rules. Breach of terms or rules will terminate your license to enter or be present on the IMGA campus and attend any event to which a package relates without refund. Each package is a revocable license and admission may be refused without liability in the case of a breach of any of the foregoing.

BULLYING

IMG Academy has a **ZERO** tolerance policy for bullying of any kind. If a camper is caught bullying or it is found that a camper has been bullying others, they will be asked to leave campus within 24 hours. **All funds paid for camp will be forfeited.**

CAMP STRUCTURE AND CONDUCT

CAMPUS SAFETY

IMG Academy's campus is completely enclosed, with only 2 entry/exit gates. All gates are monitored by our Campus Safety Officers, 24 hours a day. Our Campus Safety staff also patrols campus.

WEATHER SAFETY

In case of rain or inclement weather, all of our sport programs have a rain contingency plan for every session. Our coaches can pivot at a moment's notice to continue instruction safely.

Weather Safety Alerts will go into effect if lightning or other inclement weather is within a certain radius from the Academy. An alarm will sound to notify all staff, students and campers that campus is under a weather safety alert. All persons must stay indoors until the weather safety alert is lifted. When the alert is lifted, a second alarm will sound to notify all persons on campus.

If campers need to get anywhere while campus is under a weather safety alert, our transportation department will arrange for buses, vans, or other forms of transportation to safely transport campers if necessary. If it is not deemed necessary, campers will stay put until the weather safety alert is lifted.

Further instructions about Weather Safety will be reviewed during orientation on check-in day.

****No refunds or credits will apply in the event of a weather safety alert.**

HELPFUL TIP

WHAT ARE HEALTH SERVICES' HOURS OF OPERATION?

We have nurses on campus in Health Services for 24 hours a day, 7 days a week.

ADMINISTERING PRESCRIPTION MEDICATION WHILE AT CAMP

Parents/guardians and campers must provide Health Services with a current list of all medications, prescribed or over the counter, which the camper currently takes. It is the sole responsibility of the parent/guardian to notify Health Services to update the camper’s medication administration plan with respect to any medication(s), dosing revisions, and health status changes. Campers who do not take medication as prescribed by their doctor or who fail to follow their doctor’s orders may be considered unfit to participate in their sport program.

Parents of day campers are expected to attend to campers’ medication needs outside of camp whenever possible; however, if a day camper must take a daily prescription medication during camp hours, parents are expected to provide the medication in original prescription bottles with the instructions in English to Health Services for administration.

For health and safety reasons, our policy is that Health Services administer prescription medication to boarding campers. Daily prescription medication must be turned into Health Services upon check-in to camp. All medications must be in the original prescription bottles with the instructions in English for administration with the camper’s name, date of birth, and all prescribing information. Health Services will work with local pharmacies to fill prescriptions if necessary for your child while attending camp.

Medications will be dispensed by Health Services staff or by Academy personnel who have been designated in accordance with the Academy’s policy regarding the administration of prescription medication. Campers are required to report to Health Services to receive their prescription medication in accordance with their treatment plan and missing a required dosage may result in disciplinary action and/or removal from participation in their sport program.

INJECTABLE MEDICATIONS

If a participant is taking any injectable medications, these **MUST** be approved by Health Services prior to the participant’s arrival. Participant must be able to self-administer under observation of Health Services.

PERMISSIBLE SELF-ADMINISTERED MEDICATIONS

In certain situations, some medications and nutritional supplements can be self-administered, and, for boarding campers, kept in their dorm room.

THE FOLLOWING MEDICATIONS FALL INTO THIS CATEGORY:

Emergency allergy control medication (EpiPens), topical creams, cleansers, eye drops, inhalers, nasal sprays, oral contraceptives, insulin, ibuprofen, non-sedating and non-decongestant antihistamines including Zyrtec (Cetirizine), Claritin (Loratadine), and Allegra (fexofenadine); throat lozenges/cough drops and other over the counter medications approved in writing by Health Services.

Health Services, in collaboration with the parent/guardian and camper’s physician, will establish an individualized medication administration plan for any camper requesting medication self-administration privileges. The self-administration of medication(s) shall include self-administration while on Academy property or during Academy-sponsored trips.

Campers must bring all medications to Health Services. Health Services will verify permissible medications, and a permissible sticker will be placed on the bottle before the camper is permitted to keep the medication in their dorm room. Medications not stickered may be discarded or confiscated. Misuse of the right to self-administer medication(s) will result in immediate revocation of said privilege(s). The Academy will not assume any responsibility for campers not in compliance with this medication self-administration policy.

OVER-THE-COUNTER MEDICATIONS

The following OTC medications are generally available in Health Services on an as-needed basis and after a nursing assessment: Ibuprofen (Advil), Acetaminophen (Tylenol), Imodium, Pepto-Bismol, Tums, Simethicone, Diphenhydramine (Benadryl), Decongestant, Cepacol sore throat lozenges, cough drops, and Zyrtec (Cetirizine).

HELPFUL TIP

MY CAMPER TAKES MEDICATION; HOW WILL THEY GET IT DURING CAMP?

We ask that campers give all medication to Johns Hopkins All Children’s Hospital Health Services during check-in. Health Services is located in the Campus Center. Your camper can go to and from the Health Center as frequently as needed to take their medication. If you have any other questions, please contact Health Services at healthservices@imgacademy.com.
