

# 2024-25 ACADEMIC CENTER DRESS CODE

IMG Academy's dress code intends to promote a conducive learning environment and a sense of professionalism, safety, and respect among all students. Compliance with permissible attire protocols is essential for creating a harmonious and productive learning environment at IMG Academy. Any student who conflicts with the dress code or detracts from the overall experience will be referred for discipline intervention. Students who repeatedly violate the dress code will face disciplinary action, which could result in suspension from sports programs. We urge families to thoroughly review the policy to ensure everyone is aware of the expectations.

**School clothing is available for purchase in the IMG Bookstore, on Shop.IMGAcademy.com, and over the phone by calling the IMG Bookstore at 941-749-8754.**

Students must wear their School Identification (ID) badge themselves via a badge clip or lanyard on the front of the outermost layer of clothing in the Academic Center including classrooms.
